SUPPLEMENT TO PETITION FOR RULEMAKING

CWA Broadcasting, Inc ("CWA"), the licensee of Station WINX-FM, Cambridge, Maryland (the "Station" or "WINX"), by its attorneys and pursuant to Section 1.420(i) of the Commission's Rules, hereby files this Supplement to the Petition for Rulemaking ("Petition") that CWA submitted to the Commission on November 27, 2002. CWA seeks, by this Supplement, to confirm its rulemaking request contained in the Petition to modify the Station's community of license from St Michaels, Maryland to its original community of license, Cambridge, Maryland, and to upgrade simultaneously its facilities to Class B1 status in order to provide better service to the public. In support thereof, CWA states as follows.

At page 6 of its Petition, CWA stated as follows

Instead, as demonstrated by the Engineering Statement attached hereto as Exhibit B, the proposed community change together with the proposed upgrade would result in a net service gain while improving the level of service to St Michaels, and would thus better serve the public interest

CWA wishes to confirm that by this request, and as demonstrated in Exhibit B to the Petition, that CWA has asked the Commission to change the Table of Allotments to provide for

the allotment of Channel 232B1 at Cambridge, Maryland and, pursuant to Section 1 420(i), modify the license of WINX-FM accordingly.

CWA also wishes to confirm that in the event that the Commission undertakes the requested changes in community and station class to the Table of Allotments, that CWA will file an application for a construction permit to effectuate the changes made and will, upon grant of the construction permit, undertake the changes authorized by the Commission to the facilities of WINX-FM

WHEREFORE, for the foregoing reasons, CWA Broadcasting, Inc respectfully requests that the Commission grant the Petition for Rulemaking, as confirmed by the instant Supplement, and issue a notice of proposed rulemaking proposing modification of Section 73.202(b) of the Commission's Rules to change the allotment of Channel 232A St Michaels, Maryland to Channel 232B1 at Cambridge, Maryland, and to modify the license of Station WINX-FM accordingly.

Respectfully submitted,
